Mazes For Kids Age 4 And Up: Puzzle Me This And Maze Me That

Synopsis

To properly introduce your 4-year-old to the world of mazes and puzzles, you can break it down into steps. So maybe you can start by guiding your child's finger through the maze then give him a pencil and guide him again. The purpose is to let the activity and the skill required to sink in. This is a great practice to work on your child's handwriting.
