Age Range: 5 - 8 years

Grade Level: Kindergarten - 3

Customer Reviews

Excellent! Great Story line. I liked everything about this book. I read it to my son, and he had so many questions. The contents was excellent. This story is an inspiration. Its a shame it took 50 to 70 years for the Tuskegee Airmen Story to me told.

The service on this item was excellent. When I purchased this item I didn't catch that it was geared for children even though my husband enjoyed the information. I will surely pass this item on to some young man. Thank you.

This is a beautifully illustrated and easy to read story about the Tuskegee Airmen. The story is clear and easy to follow. I chose it because I wanted a new focus for Black History month in my classroom, but it is a great read at any time.

Though a bit long-winded for a very young crowd, this book is full of great information and an uplifting message. Great illustrations, too.
