Age Range: 4 and up

Grade Level: Preschool and up

Customer Reviews

This is pure fun. My son and I get a kick out of locating the objects in the photos. We are good though - we share the book by taking turns locating and not informing the other of the location of the next object to be polite -- amazing, huh? (laugh) So, give a few to your children, neighbors' kids, gifts, and you will spread some joy. Enjoy!

My Granddaughter and I like to work the puzzles together. We have a lot of fun doing puzzles and reading the stories together.
