They say that a dog is man's best friend and who doesn't need a good friend? Now through a fun to read, entertaining baseball story a dog, Marley, is introduced that kids will love and enjoy reading about!It's a great baseball story. Like with my grand kids this story will hold the attention of kids for many hours so I give it five stars, and I'm Marvin P. Ferguson, author of Boys On The Gold Coast.

The 2 boys that received these books really like them - having a dog in it is a major plus! They both love reading this on their own!

This is another awesome Marley book. At first I thought Marley broke the popular three strikes rule, everyone's favorite, in California sentencing three time felons to life in prison. Not my Marley! Actually it is about baseball and is quite sweet. Great for preschoolers, I read it often.

My grandson loves anything baseball. His big brother read it to him. It was a cute story that he enjoyed very much.

Awesome combination of kids two favorite things, Baseball and Dogs! Great story, very cute and age appropriate.

Always Marley book are great and this is easy to read for a child. He loves it.

Our kids love all the Marley books. This is just as cute as all the other ones. Our children read this at the ages of 5 & 6. Could be for any age really but our two really loved it!

Another winner, according to my Great Granddaughter who is 8. She loves this series. She receives them as soon as I know they are published. Marley is a cutie..
