## **Customer Reviews**

Starting today, supposed to be March 16, all the dates get mixed up, alternating, March, February and what not, and all the answers in the back are wrong. Seriously misprinted, not usable for me from now on.

I bought one for last year for my wife and she loved it, so I bought another for her to use next year. Great idea to have a mind expanding puzzle and a to do list to start the morning

I have bought this 3 years in a row. Easy-ish but a good for between jobs at work. They changed the format a little to give a full "to do" list.

I Love it, however, it takes me longer than 10 minutes to complete! A great stocking stuffer!

You need good eyes to work the puzzle, needs larger print

Gave as a gift. Recipient says she enjoys it.

I love this calendar, I get one every year!

A favorite pastime, an annual purchase.
