If you have a nurse in your life, get her/him this. It is full of funny and crazy things. I don't understand most of the things it says but as my mom would say "hey, it's a nurse thing... you wouldn't understand"

Good design is not always a guarantee and I neglected to check for functionality but it folds for flipping pages and standing and has perforated pages for removal. Some jokes and some simply relate able words for nurses.

This is not what I expected when I bought it for my daughter for her Christmas stocking. It had a lot of quotes. Not such a funnycalendar.

i like that there is something different every day. jokes/stories/history as well as puzzles and brain teasers! good purchase for the year
