Customer Reviews

Why would anybody want to read The Grateful Dead, by Sean Picoli? They might want to read it because it tells many great stories about the Grateful dead. Maybe they read it because they were a fan of the Grateful Dead. I read it because I was curious about the band. The Grateful Dead was a good choice for me because it gave lots of information about the band's members, its past, and stories about their daily life, tours, and concerts. All-in-all I think that The Grateful Dead is a must-read for Grateful Dead fans, and even people who aren't die hard dead fans would still enjoy this book.
