Customer Reviews

A New Arc begins with this volume, and the story continues to amaze the reader with new characters and a new evil.

y nephew loves these books as did my niece and other nephew when they were younger. Me? Not so sure what the appeal is but every time I get him the next book he gets so excited! If your kiddo loves Pokemon they'll love these.

My son really liked this book got right into reading it. The only thing was the book opened backwards from regular books. Don't know if this was a mistake or if that was the way it was suppose to be.

Excellent product. Fast shipping. Highly recommended!
