Customer Reviews

Get this for the young adult who is interested in the Bible, but they don't know where to begin.

Kingstone Comics includes the scripture at the bottom of each page so you can go to the Bible and research the passages yourself.

The graphics are powerful and fit well with the story. The story line for Kingstone Books is consistent with a literalist tradition, This is a graphic version of the tale as it is in the Bible. There really isn't any commentary or analysis in these books. The Bible comics and graphic novels are good for tweens through adults. My husband enjoys the collection quite a bit.
