## Customer Reviews

This was the Advent calendar I was searching for. They are much harder to find that they were years ago. I didn't want one with licensed characters on it. I just wanted a nice winter scene. This was perfect.

Perhaps this item got wet somewhere between Zurich and Chicago so some of the doors were slightly damp and tore when opened. But we loved the artwork and had several friends ask where we got ours.

Love this Advent Calendar. It is of very good quality and I love the drawings behind the windows. Kids loved it too.

It was a gift and I have not yet heard how well it went
