## Customer Reviews

Bought this Spanish book for my 3 year old daughter. She is able to follow the story and tell me about Peppa and George. We read to her in Spanish every evening and she loves it. The pictures are big and bright, and she enjoys them.

Great book and easy to follow for my toddler. Would highly recommend to anyone parent!

A mi nieta le encanta este libro.

Not too short and not too long of a story for my 2 and 4 year old. They love Peppa Pig and I love

that it's in Spanish. I do recommend this book

Got it for my daughter (1yr) & even though it is for older kids, she is still into it. Its not a hardcover, and it still has its shape.

My granddaughter loved the story because it was easy to follow and held her attention throughout the book. Great for a two year old.

Awesome and in great condition! Excellent for those that speak NO English.

Very cute! My kid love this book! Great colors and great story.
