Grade Level: 1 - 7

## **Customer Reviews**

I guess I should have read the description better. There are 6 pages in this coloring book. I thought the envelope was empty when it arrived. It is like something you would get for free...now I know that it was just a \$1.99 But I should have saved my money on this one!

very skimpy coloring book - not more than 12 pages. Has the traditional Christian message, just not enough of it. I've seen better online for free downloads. I don't think it is worth the money personally. I originally bought this for use in my Sunday school class, but there aren't enough pages to go around!!!

These coloring books by Shirley Dobson are a great tool for helping youngsters (and yourself) memorize simple Bible verses and biblical truths. Highly recommended!

I didn't realize how few pages the book would have when i ordered it. But is has great pictures and my 2 year old has enjoyed coloring in it.

My Grandson loves it. It has a bit of sayings at the end of each page! Things are Changing so Fast from what My Children were raised in, I feel it is most important to include small things like This!

Busy drawings for a small kid, not worth the price...Sorry, I wanted to like these ones, but...no.
