## Customer Reviews

I had already gotten a book to teach our little friend her colors. When I saw this Snoopy book I had to have it too and much prefer it. Each page is done with the color you want the child to learn. What could be better than Snoopy!

great books.. words and colors..... bought for a young girl... and my mom with vascular dementia.. perfect..

Granddaughter loves to have it read to her.

Can't go wrong with Snoop!
