Flower Spirits 2015 Weekly Engagement Calendar

Synopsis

Photographer and radiology technologist Steven N. Meyers uses x-ray photography to reveal the textures, details, and structures of plants that are not normally visible to the human eye. To obtain these effects, Steven uses supersensitive, large format film. For Flower Spirits, his radiographs have been digitally colored to create beautiful, luminous images from nature. Each Sellers' Softcover Engagement features 70 full-color photographs, durable cover stock, front and back storage pockets and perforated page marker. Softcover Engagement runs from September 2014-December 2015.

Customer Reviews

Absolutely lovely - very glad I purchased it and will definitely purchase again.

This calendar is so elegant and peaceful sitting on my desk. I love this!

I love this, and I love the art work as well.Thank you,Christine Maldonado

pretty calendar

The paper, colors, and layout are wonderful. However it was put together on the binding wrong. If

not handled carefully the pages will come off.

I love this calendar. I buy the same one every year because there is lots of room to write appointments on the date section and the left side allows me to clip information about my schedule.
