# When I Was Your Age: Volumes I And II: Original Stories About Growing Up

## Synopsis

"Memoirs of adolescence by renowned YA authors. . . . Readers can journey to places where the seeds of imagination and keen powers of observation are planted." â Publishers Weekly (starred review)"Tell me a story of when you were little" is something children love to ask. Twenty award-winning authors respond in these two extraordinary volumes, now combined in one book. The writers of these stories make it clear that despite the difference between one childhood and another, all children share a complex humanity and a deep capacity for joy.

## Customer Reviews

I enjoyed these short stories from various children's authors.

I plan to read many different stories from these volumes to teach memoirs to my students. Each short story is written from the author's perspective and shows many different voices.

this book was required for my son school, so far he likes it. it is kind of thick. hope he finish to read it in the summer.

Charming well written stories will inspire young readers and writers
