Customer Reviews

Loved this book ! I bought this for my boys who were 5.5 . Some crosswords were hard and some were easy for them. The answers are provided in the same page in a box. I usually covered the answer box and asked them to try it on their own. Only if they couldn't figure it out, they would peek into the hint box ! It was challenging enough for them and it did keep them interested. Along with the crosswords, they love doing the word search.

It is listed for age 7+ but I'm concerned it is far below the ability of my 7 year old grandson!

Otherwise it is full of crosswords and word searches that look fun just below level of my expectations.

!0 yr. old Granddaughter enjoyed this.

Nice activities to help my kids with spelling. Fast shipping
