this book is part of my investing in my great grandson's future reading ability. while he will not be ready to read at this level, time is the driving factor. it's never too early to invest in classics such this one.

The Great Illustrated classics are great (no pun intended) TheThree Musketeers is so cool. I love this book. on a scale from 1 to 10I give it an 11. You can't put it down. I like the pic's they weremade very good. This book is so cool. and if you like the word hot then this book is so hot. This book is good for all ages. I love it and you will too. Get it and enjoy it. READ IT!

I really liked this book a lot. I would recommend it to anyone who has the time and attention span to read it. The book is long enough so by the end you feel as if you know each character as a friend.

And in the end, you aren't left hanging. The Three Musketeers is really something you can get into and never be able to put it down. A truly good and unforgettable book in many ways. It's about four ex-musketeers who try to stop a huge conspiracy involving high ranking people. My favorite character in the book would have to be D'artagnan. He's a rebel who proves himself and I just like him. The story takes place in the 1600's, when swords and guns were both used. The author did a marvelous job on this book.
