Customer Reviews

Hi everyone! My name is Charlie (short for Charlotte). True story...two years ago my 3 year old "sister" painted me blue when mom wasn't looking. So as you can imagine, I get a little anxious when the paints come out. But painting pop out paper dogs? That's a craft I can get behind."POP-OUT & PAINT: DOGS & CATS" Written & Illustrated by Cindy A. Littlefield. Art direction & book design by Jessica Armstrong. Published by Storey Publishing. Another awesome BOOK meets TOY from Storey Publishing. Perfect for creative little minds. The first part of this book offers wonderfully detailed instructions on how to create & paint 16 different breeds of dogs & cats. Including which colors to use, what kind of paint brushes you'll need, how to make accessories like

little leashes & bandanas etc. it's truly incredible! The second part of the book is made up of very high quality, heavy duty pages with punch out pets that pop out with ease. The "POP-OUT & PAINT" series also offers a book of horse breeds & a book on farm animals. We are DEFINITELY hoping to try them all! Perfect for ages 5 & up!

Was surprised that the kids loved them so - I was kind of disappointed when I saw them - I mistakenly was thinking 3-D.

Granddaughter loved this She is into coloring and painting and this pop out book is fun to do.

We really enjoy these books. Perfect for our homeschool creative minds!
