## Customer Reviews

I love this calendar and all of the pictures and ideas, the only downfall is when you write on it the writing shows up on the page behind it. It almost "transfers" like a check book with duplicates.

I bought this calendar simply because I liked how it looked. After I started using it, however, I find that I am enjoying the directions for making the flower arrangements. They are quite easy to follow, and anyone could reproduce an arrangement and have it look quite professional.

Beautiful and creative calendar. Highly recommend for yourself or as a gift

Even more beautiful than 2015! I love the accent colors of lime, periwinkle, coral, lemon; so pretty in my office.

Loved the 2015 calendar, received the 2016 today it'll be another nice year of floral art.
