Customer Reviews

This is extremely similar to the book "Marvel's Avengers: Age of Ultron: Hulk to the Rescue." And by similar, I mean almost identical with at least two pages of recycled artwork from the other book. Having purchased both, I was really let down. On it's own, though, this is a fine book. There are keywords at the beginning (e.g., robot, hammer) that pre-readers can practice looking for. The artwork is fine and Scarlet Witch and Quicksilver are introduced (as bad guys, the book doesn't

cover their transition to good guys). I didn't think there was much violence. If you are buying this alone, I would give it 4 stars. Having bought both books, I would only give 2 stars because they are so, so similar. I ended up at 3 stars as an average. I hope this review helps you.

This is a great starter comic book for superhero fans and beginning readers.

read look at , then give away to kids .

love product nice to be able to order online
