Customer Reviews

One of the best story arcs in this comic line and now it's all in one book. I loved reading this arc and it has reread ability. Hope you enjoy it.

A decent story, hampered somewhat by its egregious beginning, but eventually working itself out with an emotionally powerful ending.

I loved it sooooo much. It was better than any two parter! I can't wait for another entry in this story. 5/5!!!! ;D

I only buy the multi-issue books and have never been disappointed. These are well written and beautifully drawn.

Love this story line.
